"Lord Café"
In Cassino, in a very central position, in Piazza Alcide De Gasperi, we sell a well-established Bar business with twenty years of experience in the sector.
The bar is in excellent condition, made up of three large windows which make it very bright and welcoming.
Internally, the large and well-stocked counter welcomes a fair number of customers who can also consume at a table comfortably seated with a view of the square.
The furniture is modern and elegant, with floral walls and LED lighting.
Its angular position, a few steps from the Town Hall, the post office and the courthouse allows it to be busy both during the day and in the evening.
Potentially suitable for family management, it offers great development opportunities thanks to a consolidated and historical clientele.
The bar also offers ample parking and enjoys excellent visibility.
Price on request.
