In Castrocielo (FR) in Via per la Stazione, facing the Casilina state road, we offer for sale or rent an interesting commercial building with adjoining apartment.

The property represents an excellent opportunity for those who wish to start or expand their business in a strategic and high-traffic area.

The building consists of a commercial space of approximately 380 m² on the ground floor, to be finished according to your needs, and an apartment of approximately 90 m² on the first floor, to be renovated, with a balcony, three bedrooms, a kitchen, a bathroom and attic on the second floor.

It is important to underline that part of the commercial space was previously used as a restaurant, a landmark in the area that enjoyed great success.
