"Marie Antoinette House"
In Castrocielo (FR), located in a quiet residential area and more precisely in Via Madonna di Loreto, we offer for sale an interesting semi-independent solution with accessories and land.
The house, on two levels of approximately 160 m2, is in good condition but requires a simple cleaning to return to its former glory.
The ground floor is accessed through a large entrance hall which leads to a kitchen with fireplace, a welcoming living room and a small storage room.
Going up the comfortable internal marble staircase, you enter the first floor where there is the sleeping area consisting of two double bedrooms, a bathroom and a small balcony which offers a panoramic view of the surrounding hills.
The house is well exposed and equipped with independent heating and all the utilities necessary for a comfortable life.
Outside, a large porch allows you to enjoy the surrounding greenery, while accessories such as the cellar, garage and stable offer further possibilities for using the space.
The property also includes a vast land of approximately 8,600 m2, ideal for those who like to grow crops or have space for pets.
Furthermore, the quiet and private location makes this solution perfect for those looking for an oasis of peace and relaxation just a few steps from the town's essential services.
