Gabriella's House

In Sora (Via Spinelle) a few steps from Lungo Liri and Piazza San Rocco, we offer for sale an apartment located on the third and top floor of a curtain wall building with cellar and exclusive covered parking space.

The property is internally composed of an entrance hall, large living room with veranda balcony, eat-in kitchen with second balcony, three bedrooms, two bathrooms and a small terrace also with veranda.

The property enjoys excellent brightness, having a triple panoramic exposure, towards the surrounding hills and on Mount San Casto, where there is the famous church of the Madonna Delle Grazie.

Overall the house is in fair condition, the electrical system definitely needs updating, as well as the wooden window frames and their relative roller shutters. The floors are in various colored grit, while for the heating system there are cast iron radiators.

The cellar is exclusive of about 10 square meters with autoclave and 1000-liter tank, located on the ground floor.

The building is in good condition, with internal marble staircases and no elevator.
