Angela's House

In Itri (Via Cintanuova), in the heart of the historic center, we are pleased to offer for sale a lovely apartment located on the ground floor of this building in excellent condition with double exposure and panoramic view.

The property is in excellent condition, with a few precautions it can be inhabited immediately.

It consists of a large entrance hall, lounge with characteristic star ceilings, eat-in kitchen, double bedroom, bathroom and closet. Internally the living area can be transformed into a second bedroom depending on your needs.

The structure is in original stone, typical of Italian historic centers.

The exposure makes this property very bright and airy, the panoramic view allows you to admire the roofs below and the green hills of the Itrano hinterland. The location is equally strategic, we are just 7 km from Gaeta and 15 km from Sperlonga, in the heart of the Riviera di Ulisse, one of the most important coastal stretches of Lazio.

The property has double-glazed PVC window frames, an armored iron door, a functioning and active electrical system, and is also sold complete with the furnishings shown in the photos.

Also excellent as an investment with high yield for short-term rentals.
