Stella House

In Sperlonga (LT) on Via Valle, a short walk from the seafront, we are pleased to offer for sale a charming 50 m2 penthouse with a 13 m2 terrace overlooking the sea, in excellent condition.

The property enjoys triple exposure, making it very bright and airy, and is located on the third and top floor without an elevator. Internally, it comprises an entrance hall, a large living room with French windows leading to the terrace, a bedroom, a kitchen, a bathroom, and a storage room in the attic.

The proximity to the sea is certainly one of the strong points of this penthouse (we are only 90 meters from the beach), but also the proximity to all the city services, making it much easier to fully experience Sperlonga without needing to use your own car.

Thanks to its panoramic view, the terrace also offers views of the historic center, creating a unique visual experience that alternates between the sea and historic views. It is sold complete with all the furnishings inside.

The systems are all functioning, electrical, plumbing and heating (hot/cold air conditioning), the window frames are made of wood with aluminum shutters.

Unique opportunity, with VERY HIGH income even for short-term rentals.
