"Carla's House"

In one of the most authentic and charming areas of Arpino, in the quiet Contrada Rondinella, a detached house awaits you that exudes freedom, space, and a life lived in harmony with nature.

It's the kind of property that wins you over immediately: for the light, for the silence, for the immediate feeling of "home" that it gives you from the first step into the private garden.

The house is spread over two levels and is designed for those seeking welcoming and authentic spaces.

The eat-in kitchen, with its fireplace that warms hearts and evenings, is the perfect place to imagine rustic dinners, laughter, and moments of sharing.

The two bedrooms are intimate and bright, ideal for those who want to wake up to peace around them.

The modern and well-finished bathroom adds that touch of comfort that makes the difference.

The basement level, however, opens up a world of possibilities: large, dry, and versatile spaces where you can create a convenient garage, a basement, a hobby room, or technical spaces for your activities.

Here you can really give shape to your projects.

Outside, the property offers even more surprises: a well-kept garden, perfect for outdoor living, and a well, valuable and useful for greenery all year round.

And then there is the context: Arpino.

A town rich in history, art, and culture, one of those villages where every stone tells a story.

Very close to the center but immersed in the quiet of the countryside, this house allows you to live in total serenity without ever giving up services and connections.

Here you don't just buy a property: you buy the opportunity to build a life project.

This is a property with enormous potential, perfect for transforming into your dream home: a family home, a country retreat, an investment opportunity, a hospitality business... anything is possible.

If you're looking for a place where you can truly breathe, where you begin each day with the feeling of having made the right choice, then this is your chance.
